MEMORANDUM

TO: Boston Redevelopment Authority

FROM: Robert T. Kenney, Director

SUBJECT: SOUTH END URBAN RENEWAL AREA (MASS. R-56)  
RECISION OF DEVELOPER OF PARCEL 12a

---

1 SUMMARY: The Authority is requested to rescind the designation of the Boston Housing Authority as developer of Parcel 12a, South End Urban Renewal Area.

---

The Boston Housing Authority was designated developer of Parcel 12a, South End Urban Renewal Area on June 4, 1970 for the purpose of constructing housing units for the elderly. However, due to difficult soil conditions, requests by the local community for additional recreational space in this area, and the proposed construction of elderly housing units in the South End under the "Turnkey" program by private developers, the Housing Authority has decided not to develop this site.

The Authority staff is presently exploring the possibility of developing this site as a major recreational area with the use of matching federal funding under the Legacy of Parks Program. Under a separate memorandum the Authority is requested to modify the land use controls for this parcel to allow recreational reuse and development.

I therefore recommend that the Authority rescind the designation of the Boston Housing Authority as developer of Parcel 12a, South End Project Area.

An appropriate resolution is attached.
